ECONOMIC INTELLIGENCE COMMITTEE

NSA & DIA Declassification/Release Instructions on File.

MEMORANDUM FOR: Chairmen of EIC Subcommittees on  
Chemicals  
Economic Defense  
Minerals and Metals  
Electric Power and Solid Fuels  
Industrial Machinery and Equipment

SUBJECT: Abolition of Specified EIC Subcommittees

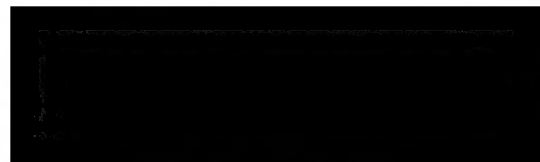

REFERENCE: Minutes of EIC Meeting (EIC-M-111),  
9 December 1965

1. By action of the Economic Intelligence Committee on 9 December 1965 (see reference), the following EIC Subcommittees were abolished: Chemicals, Economic Defense, Minerals and Metals, Electric Power and Solid Fuels and, Industrial Machinery and Equipment.

2. The members of the EIC have particularly expressed the desirability of continued informal liaison among the departments and agencies formerly represented on the subject subcommittees. Continued inter-agency discussion and coordination where pertinent is encouraged.

3. If, in the future, any problems should arise in your field requiring formal interagency discussion or coordination, it is requested that you refer to the EIC Secretariat for guidance on procedures to be followed.

4. Please advise each of the members of your former subcommittee of the substance of this memorandum.
